**1** [Entering the Ada systems design and coding market](#)

 [P. J. Mayer](#)

July 1989 [TRI-Ada '88: Proceedings of the conference on TRI-Ada '88](#)

**Publisher:** ACM

Full text available:  [Pdf \(1.30 MB\)](#)

Additional Information: [full citation](#), [abstract](#), [index terms](#)

**Bibliometrics:** Downloads (6 Weeks): 10, Downloads (12 Months): 49, Citation Count: 0

Advice is cheap, and we all know that you get what you pay for. There are many books, seminars on how to start a business. They have been written or are presented by profs with far greater experience than I. While my general ...

**2** [The role of process models in software and systems development and evolution](#)

 [M. M. Lehman](#)

October 1990 [Proceedings of the 5th international software process workshop on Experience with process models](#)

**Publisher:** IEEE Computer Society Press

Full text available:  [Pdf \(338.29 KB\)](#)

Additional Information: [full citation](#), [abstract](#), [references](#), [index terms](#)

**Bibliometrics:** Downloads (6 Weeks): 8, Downloads (12 Months): 68, Citation Count: 0

In seeking to maximise opportunity for achieving common understanding and real progress, the announcement for the 5th Process Workshop adopts a somewhat narrow view of Process Models. By so focussing the discussion, the ...

**3** [The use of APL versus other languages—a six year trend analysis](#)

 [John W. Myrna, Peter G. DiChellis](#)

June 1986 [APL '85: Proceedings of the international conference on APL: APL and the future](#)

**Publisher:** ACM

Full text available:  [Pdf \(253.09 KB\)](#)

Additional Information: [full citation](#), [abstract](#), [index terms](#)

**Bibliometrics:** Downloads (6 Weeks): 0, Downloads (12 Months): 8, Citation Count: 0

Like everyone in the APL community, we've heard that all-too-familiar chorus: APL is a fading star of the language market — just 1% and declining. According to this school of thought, it's not likely to move up the ground and probably never will. It's ...

**Publisher:** ACMFull text available:  [Pdf \(395.23 KB\)](#)Additional Information: [full citation](#), [abstract](#), [references](#), [cited by](#)**Bibliometrics:** Downloads (6 Weeks): 21, Downloads (12 Months): 169, Citation Count: 5

Spyware is a significant problem for most computer users. The term "spyware" loosely class of computer software. This type of software may track user activities online and targeted advertising and/or engage in other types ...

**Keywords:** EULA, ToS, end user license agreement, notice, privacy, security and usage terms of service

**12 A Java-based science portal for neutron scattering experiments**
 Sudharshan S. Vazhkudai, James A. Kohl, Jens Schwidder

 September 2007 **PPPJ '07**: Proceedings of the 5th international symposium on Principles and programming in Java
**Publisher:** ACMFull text available:  [Pdf \(2.35 MB\)](#)Additional Information: [full citation](#), [abstract](#), [references](#), [index](#)**Bibliometrics:** Downloads (6 Weeks): 12, Downloads (12 Months): 54, Citation Count: 0

The Spallation Neutron Source (SNS) is a state-of-the-art neutron scattering facility recently commissioned by the US Department of Energy (DOE). The neutron beam produced at an intensity that is an order of magnitude higher than existing ...

**Keywords:** Java web portal, architectures, neutron science portal, service oriented

**13 Crisis or turning point—supporting a multi-campus student information system in the future**
 Barbara Long

 October 2000 **SIGUCCS '00**: Proceedings of the 28th annual ACM SIGUCCS conference on Building the future
**Publisher:** ACMFull text available:  [Pdf \(162.43 KB\)](#)Additional Information: [full citation](#), [references](#), [index](#)**Bibliometrics:** Downloads (6 Weeks): 4, Downloads (12 Months): 22, Citation Count: 0

**Keywords:** customer service strategy, organizational change

**14 So many labs: so little time**
 Christine Arieaga, Terri Lucas

 November 2005 **SIGUCCS '05**: Proceedings of the 33rd annual ACM SIGUCCS conference
**Publisher:** ACMFull text available:  [Pdf \(150.74 KB\)](#)Additional Information: [full citation](#), [abstract](#), [references](#), [index](#)**Bibliometrics:** Downloads (6 Weeks): 1, Downloads (12 Months): 16, Citation Count: 0

This paper is intended for academic desktop support groups who have a large or growing number of computer labs and limited staffing resources in which to maintain them. Information Technology support groups are aware that in order to meet the needs ...

**Keywords:** computer, faculty, labs, multimedia, student employees, students, support

**15 The evolution of software distribution: where did we come from and where are we going**
 Michael Lazenka

 November 2005 **SIGUCCS '05**: Proceedings of the 33rd annual ACM SIGUCCS conference
**Publisher:** ACMFull text available:  [Pdf \(385.32 KB\)](#)Additional Information: [full citation](#), [abstract](#), [references](#), [index](#)

**Bibliometrics:** Downloads (6 Weeks): 8, Downloads (12 Months): 47, Citation Count: 0

With the installation of Ethernet into dormitories in the early to mid-1990s the University was suddenly faced with the daunting task of helping 7,000 students connect to its network software that would help them get the ...

**16 Five Steps to a Better Vista Installation - Transcript**

 February 2007 **Queue**, Volume 5 Issue 1

**Publisher:** ACM

Full text available:  [Html](#) (23.02 KB),  [Mp3](#) (21:38 MIN) Additional Information: [full citation](#), [abstract](#), [index](#)

**Bibliometrics:** Downloads (6 Weeks): 202, Downloads (12 Months): 319, Citation Count: 0

Unravel the mysteries and learn the best practices associated with mastering the new installation routines for Vista applications. In this Premium Queuecast hosted by Michael Corrigan, senior manager for global product marketing ...

**Keywords:** installation, vista, windows

**17 Sharing courses: the CS & IT capstone experience**

 Paul Mullins, Daniel Borsch

October 2008 **SIGITE '08: Proceedings of the 9th ACM SIGITE conference on Information education**

**Publisher:** ACM

Full text available:  [Pdf](#) (265.27 KB) Additional Information: [full citation](#), [abstract](#), [references](#), [index](#)

**Bibliometrics:** Downloads (6 Weeks): 8, Downloads (12 Months): 32, Citation Count: 0

This paper provides a comparison of the curricular recommendations for IT and a CS capstone engineering, including the specific topics covered in a recent class. The evolution of the for this class, a web-based interface to ...

**Keywords:** cs curriculum, interdisciplinary software engineering course, it curriculum,

**18 A geographically-distributed, assignment-structured undergraduate grid computing**

 Mark A. Holliday, Barry Wilkinson, Jeffrey House, Samir Daoud, Clayton Ferner

February 2005 **SIGCSE '05: Proceedings of the 36th SIGCSE technical symposium on Computer science education**

**Publisher:** ACM

Full text available:  [Pdf](#) (115.13 KB) Additional Information: [full citation](#), [abstract](#), [references](#), [cited by](#)

**Bibliometrics:** Downloads (6 Weeks): 4, Downloads (12 Months): 41, Citation Count: 3

Grid computing is now mature enough and important enough to be studied as a full course at the undergraduate level for upper-level computer science majors. We have developed such a course including a set of lecture slides, assignments, and assignment ...

**Keywords:** assignments, globus, grid computing, grid services, web services
